ABOUT US

The Marketing Institute of Ireland is a professional body of marketers. We have over 2500 members, over 40 hours of online content and 20 plus online courses. Our main focus is to help our members progress in their career by growing their marketing knowledge through webinars with industry experts, offering networking opportunities at our events and further online training with discounted courses for our members.

Recently we began our Graduate Hub which is a section on our website dedicated to offering graduates career advice. We also run webinars for marketing graduates, some of our more recent ones are [“5 Things I Wish I Knew Before Starting My Job”](#) and [“Getting Your CV Infront of Decision Makers”](#).

In support of this channel we have created an Instagram account specifically for Marketing Graduates offering them snippets of information from our webinars. [Follow us on Instagram by clicking here.](#)

For our members you can find hours of webinars from marketing experts on your MII profile, in the recorded webinars section under your profile picture. Members are entitled to substantial discounts on our further training and online courses such as our Executive Diploma in Strategic Digital Marketing.

JAMESON INTERNATIONAL GRADUATE PROGRAMME

Application opening dates: present - February 24th, 2021

Duration: 13 month contract with an opportunity to extend it to another 12 to 24 months depending on performance.

Commencing: July 2021

Location: International or Dublin.

What does the programme involve?

The Jameson International Graduate Programme is a brand advocacy programme. It offers you the opportunity to work abroad in one of their international offices. It is a field-based job which will include brand education, event management and digital marketing. You will be working with local brand teams in a foreign market and on your own initiative with bartenders, distributors, influencers etc.

Training

In the first four-weeks of the programme there is an introductory training course which covers the history and brand of Jameson along with the marketing strategies they use for their brand.

Throughout your time with Jameson you will have monthly meetings with your line manager in Dublin and frequent feedback from your managers in the foreign market you are placed in.

Most of your training will come from on the job learning. You will be heavily involved in organising events, supporting digital marketing strategies, and educating customers about Jameson's products.

“

One day I could be budgeting, the next day marketing online and the day after that managing an event, so no day is the same.

”

- Cathal, Jameson Graduate Programme Participant
